From the Director's Desk

Season's greetings and welcome to the Indian Institute of Legal Metrology, Kanke, Ranchi.

It is a unique pioneer institute of its nature with a sprawling campus of approximately 70000 m² located at 16 km northward direction from Ranchi Railway Station and approx. 20 km from Ranchi, Birsa Munda Airport on a beautiful patch of land, full of gardens and greens which protect the laboratories from direct Sun rays, flying dust particles and is far away from industrial belt at Kokar, Ranchi. Since its inception IILM, Ranchi has taken several initiatives to design & revamp curricula for Training in the field of Legal Metrology and other allied fields. It has consistently taken measures to include the legal and technical aspects in the training for the strengthening of enforcement activities in States/ UTs. In its journey so far, the IILM, Ranchi has continued to adopt its delivery of training and consumer awareness to the changing requirements of the growing India. I am pretty certain with the dynamic teamwork of all our faculty, staff, stakeholders and trainees that we will be able to achieve the new height for our institute in the field of training in Legal Metrology.

I am delighted to present before you the Annual Training Calendar 2025 for the officials of Legal Metrology and others which contains the Institute's entire year's activities. Our effort in developing this training calendar as per contemporary need of industry and achieve ultimate objective to enhance more knowledge and awareness in the field of legal metrology with the holistic participation of all stake holders. The training calendar includes the various courses in the field of Legal Metrology for the industry personnel and LMOs to boost their knowledge in this field. IILM, Ranchi invites all stake holders to come forward voluntary and add value to different courses that are imparted at the institute. With collective efforts we can make changes in our society and contribute in our nation building.

For any feedback or suggestion related to this training calendar, write to us on dir-iilmr-jhr@nic.in.

(Dr. R. Kumar)

Director, IILM, Ranchi

ABOUT IILM

Indian Institute of Legal Metrology, a unique pioneer institute of its nature, commonly known as IILM, is a statutory body deemed to be established by the Government of India under section 21 of the Legal Metrology Act.2009. It is only one of the kinds not only in India but also an apex institute in the South and South East- Asia. This Institute is working under direct control of Central Govt., Ministry of Consumer Affairs, Food and Public Distribution, Department of Consumer Affairs. It is well equipped with reputed, highly qualified, experienced faculty members, resourceful laboratories and other allied necessary facilities to enable it to function effectively in the field of Legal Metrology.

INSIGHTS OF IILM TRAINING CALENDAR

The Current Training Calendar for the year 2025 is meant for selecting proper programmes by the Department of Legal Metrology and nominating suitable trainee-officers keeping in view of their training needs. The training Calendar contains complete information not only the training curricula, their dates of commencements, cut-off dates, programme officers, faculty but also other facilities provided by the Institute. It is, therefore, requested to bear in mind the information's given below before sending the nominees:-

- It is advisable to give a proper thought to the IILM Training Calendar and choose the programme suitable to them.
- The selection of the nominees may be given priority for the interest of the consumers in the State/UT.
- Nominations should be intimated, at least, 15 days before the course commences.
- After successful completion of the training programmes, the knowledge & skills gained by the nominees should be utilized for the benefit of the consumers.
- Each programme is circulated 15 to 30 days in advance as a reminder.
- At present, no course fee is chargeable either from the participants or from the sponsoring authority. The authority has to bear only the TA, DA and other charges as applicable. Course fee for special course conducted for repairer and other departments/Industries etc. are chargeable.
- Any suggestion and alterations for the future action plan will be highly appreciable.

We sincerely hope that IILM Training curricula will prove very useful for timely selection of the candidates and necessary approval without further delay.
